SUPPLEMENTARY INFORMATION:

The National Boating Safety Advisory Council (NBSAC) is a federal advisory committee under the *Federal Advisory Committee Act*, 5 U.S.C. Appendix, Public Law 92-463, 86 Stat. 770 as amended. It was established under authority of 46 U.S.C. 13110 and advises the Coast Guard on boating safety regulations and other major boating safety matters. NBSAC has 21 members: Seven representatives of State officials responsible for State boating safety programs, seven representatives of recreational boat manufacturers and associated equipment manufacturers, and seven representatives of national recreational boating organizations and the general public, at least five of whom are representatives of national recreational boating organizations. Members are appointed by the Secretary of the Department of Homeland Security.

The Council usually meets at least twice each year at a location selected by the Coast Guard. It may also meet for extraordinary purposes. Subcommittees or working groups may also meet to consider specific problems. We will consider applications received in response to this notice for the position that was vacated on April 2, 2014: one representative of State officials responsible for state boating safety programs. The appointee for this position will serve the

remainder of the previous member's term, which expires December 31, 2015.

Applicants are considered for membership on the basis of their particular expertise, knowledge, and experience in recreational boating safety. Appointments for the 2014 vacancies remain pending. The 2014 vacancies were announced in the Federal Register on January 9, 2013 (78 FR 1865). Any applicant who applied for one of the "State officials responsible for state boating safety programs" vacancies will automatically be considered for this additional vacancy and does not need to submit another application. Similarly, any applicant who applied for one of the 2015 vacancies for "State officials responsible for state boating safety programs" announced in the Federal Register on March 11, 2014 (79 FR 13664) will automatically be considered for this additional vacancy and does not need to submit another application. Individuals, who submitted an application for any year prior to 2014, are asked to re-submit an application if the individual wishes to apply for any of the vacancies announced in this notice.

To be eligible, you should have experience in one of the categories listed above. Registered lobbyists are not eligible to serve on Federal advisory committees. Registered lobbyists are lobbyists required to comply with provisions contained in

The Lobbying Disclosure Act of 1995 (Public Law 104-65; as amended by Title II of Public Law 110-81). Member may be considered to serve consecutive terms. Member serves at their own expense and receives no salary, or other compensation from the Federal Government. The exception to this policy is when attending NBSAC meetings; member may be reimbursed for travel expenses and provided per diem in accordance with Federal Travel Regulations.

The Department of Homeland Security (DHS) does not discriminate in selection of Council members on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, gender identity, marital status, disability and genetic information, age, membership in an employee organization, or other non-merit factor.
